**INTERVIEW SUMMARY**

Dear Sir:

Applicant wishes to make of record the following remarks regarding the telephonic interview of January 26, 2005 between the undersigned agent and Examiner Hyun. No fees should be required for entry of this summary. However, if any fees are required for entry of this summary, the Commissioner is hereby authorized to deduct the fees from Deposit Account 18-1167.

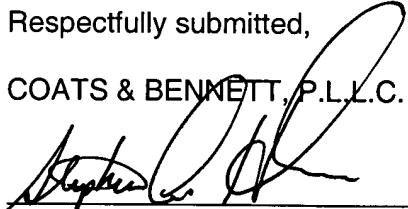

**REMARKS**

The undersigned agent wishes to thank the Examiner for his courteous telephone call on January 26, 2006 inquiring into the status of the above-mentioned case. The Examiner stated that the Office had not received a response to the latest Office Action dated June 15, 2004. However, a check of our records, and of the records in PAIR, revealed that the Office had in fact received our response (dated November 15, 2004) on November 17, 2004. During the discussion, Examiner Hyun located the response and indicated that he would take further action and issue a communication as appropriate. Therefore, the undersigned agent understands that the Office will issue a new communication regarding the above-mentioned case in the near future.

Additionally, it appears that the cause of the 13 month delay in prosecution of this case was a docketing error at the Office. Therefore, the undersigned agent respectfully requests the Examiner to consider whether this delay provides sufficient grounds for a patent term extension upon allowance.

Respectfully submitted,

COATS & BENNETT, P.L.L.C.
